

Update in Abdominal Imaging

September 17-18, 2026,

Bruges Meeting and Convention Centre Bruges, Belgium

Preliminary Scientific Program

THURSDAY 17 September 2026

| | |
|-------------|--|
| 08.15-08.45 | Registration desk |
| 08.45-09.00 | Welcome Address: Update in Abdominal Imaging. (B. Claikens) |

SESSION 1:

| | |
|--------------------|--|
| 09.00-10.30 | Key-note lectures Moderator: I. De Kock |
|--------------------|--|

| | |
|-------------|---|
| 09.00-09.30 | Imaging fibrosis in Crohn's disease. (I. De Kock) |
| 09.30-10.00 | Leakage after gastrointestinal operations on CT. (G. Kavaliauskiene) |
| 10.00-10.30 | Mapping the maze: MRI of perianal fistulas. (I. De Kock) |
| 10.30-11.00 | Coffee Break Industrial Booth Interactive Sessions: Ethics in Imaging |

SESSION 2:

| | |
|--------------------|--|
| 11.00-13.00 | Key-notes Lectures Moderator: E. Khaled |
| 11.00-11.30 | Diagnostic Approach of Enhancing Lesions in non-cirrhotic liver. (E. Khaled) |
| 11.30-12.00 | MR Cholangiography: Technique, Indications, and Pitfalls. (K. Morteale) |
| 12.00- 12.30 | Diagnostic Approach of Enhancing Lesions in cirrhotic liver. (E. Khaled) |
| 12.30-13.00 | Young Radiologist Platform (T. Claikens) |
| 13.00-14.00 | Lunch Industrial Booth Interactive Sessions: Radioprotection in Imaging Workshops |

SESSION 3:

| | |
|--------------------|---------------------------|
| 14.00-15.30 | Key-notes Lectures |
|--------------------|---------------------------|

Moderator: F. Claus

- 14.00-14.30 Pitfalls in diagnosis of enhancing lesions in non-cirrhotic liver.
(E. Khaled)
- 14.30-15.00 Pitfalls in diagnosis of enhancing lesions in cirrhotic liver.
(E. Khaled)
- 15.00-15.30 Imaging abdominal neuroendocrine tumours.
(F. Claus)
- 15.30-16.00 Coffee Break
Industrial Booth
Interactive Sessions: Economic Issues in Imaging

SESSION 4:

- 16.00-17.50 Key-note lectures**
Moderator: K. Mortele
- 16.00-16.30 Diagnostic Approach and guideline of pancreatic cystic lesions.
(K. Mortele)
- 16.30-17.00 Solid Pancreatic Tumors: Ductal Adenocarcinoma and Beyond.
(K. Mortele)
- 17.00-17.25 Treatment response for pancreatic cancer.
(T. Bollen)
- 17.25-17.50 Imaging of Complications after Cholecystectomy – CT and MRI.
(G. Kavaliauskiene)
- 17.50-19.00 Meet and Greet Congress Reception

FRIDAY 12 September 2025

- 08.15-08.45 Registration desk
Industrial Booth
- 08.45-09.00 Welcome Address: Update in Abdominal Imaging
(B. Claikens)

SESSION 5:

| | |
|--------------------|--|
| 09.00-10.35 | Key-note lectures Moderator: G. Kavaliauskiene |
| 09.00-09.30 | Imaging the Inflamed Pancreas: What the Radiologist Needs to Know. (K. Mortele) |
| 09.30-09.55 | On-call Emergency MRCP. (G. Kavaliauskiene) |
| 09.55-10.20 | Imaging the pregnant patient: role of MRI in abdominal emergencies and oncology. (V. Vandecaveye) |
| 10.20-10.35 | Industry Lecture |
| 10.35-11.00 | Coffee Break Industrial Booth Interactive Sessions: Ethics in Imaging |

SESSION 6:

| | |
|--------------------|---|
| 11.00-13.00 | Key-note lectures Moderator: V. Vandecaveye |
| 11.00-11.30 | Pitfalls in diagnosis of renal masses. (E. Khaled) |
| 11.30-11.55 | Primary and secondary peritoneal tumours: characterization and staging. (V. Vandecaveye) |
| 11.55-12.25 | Diagnostic Approach of Adrenal Masses. (E. Khaled) |
| 12.25-12.50 | Update on MR imaging of cervical uterine cancer. (V. Vandecaveye) |

12.35-13.00 Diffusion-weighted MRI in gynaecological cancer: staging the peritoneum and beyond.
(V. Vandecaveye)

13.00-14.00 Lunch
Industrial Booth
Interactive Sessions: Radioprotection in Imaging
Workshops

SESSION 7:

14.00-16.30 **Key-note lectures**
Moderator: E. Havinga

14.00-14.25 Update on MR imaging of cervical uterine cancer.
(V. Vandecaveye)

14.25-14.50 Tips and Tricks in Prostate Imaging.
(E. Havinga)

14.50-15.15 Diagnostic Hepatic tumour ablation.
(J. Marannes)

15.15-15.30 Nuance in Paediatric Gastrointestinal and Urogenital Imaging.
(R. Senasi)

15.30-15.50 From Algorithm to Practice: AI Applications and Human-AI
Collaboration in Abdominal Imaging.
(L. Bijmens)

15.50-16.15 The use of Surgical AI and Augmented Reality in modern surgery.
(A. Mottrie)

16.15-16.30 Congress Farewell
(B. Claikens)

Hand Over Accreditation Certificates
